
Werkzeugmaschinenlabor (WZL) RWTH Aachen University

Project Idea

Topic: New Production

Cardiff, January 18, 2007

EC Project Experience/ Lean Management at WZL of RWTH Aachen University

EC project experience:

- Collpexity: Collaboration Complexity – Collaborations as Complex Systems (2005-2008)
- LicoPro: Lifecycle orientated design of collaborative production networks (2001-2004)

Experience in lean management:

- Lean Competence Center
- Production systems
- Reengineering
- Organization development and optimization
- Process development and optimization

Industry projects

- Lean in Low-Volume/High-Variety Production
- Lean in Tool Making
- Lean in Machine Building
- Lean Administration
- Lean Innovation
- Process modeling

Research projects

Courses and Seminars

- Lean Management Summit
- Training and courses for professionals

LEAN MANAGEMENT INSTITUT

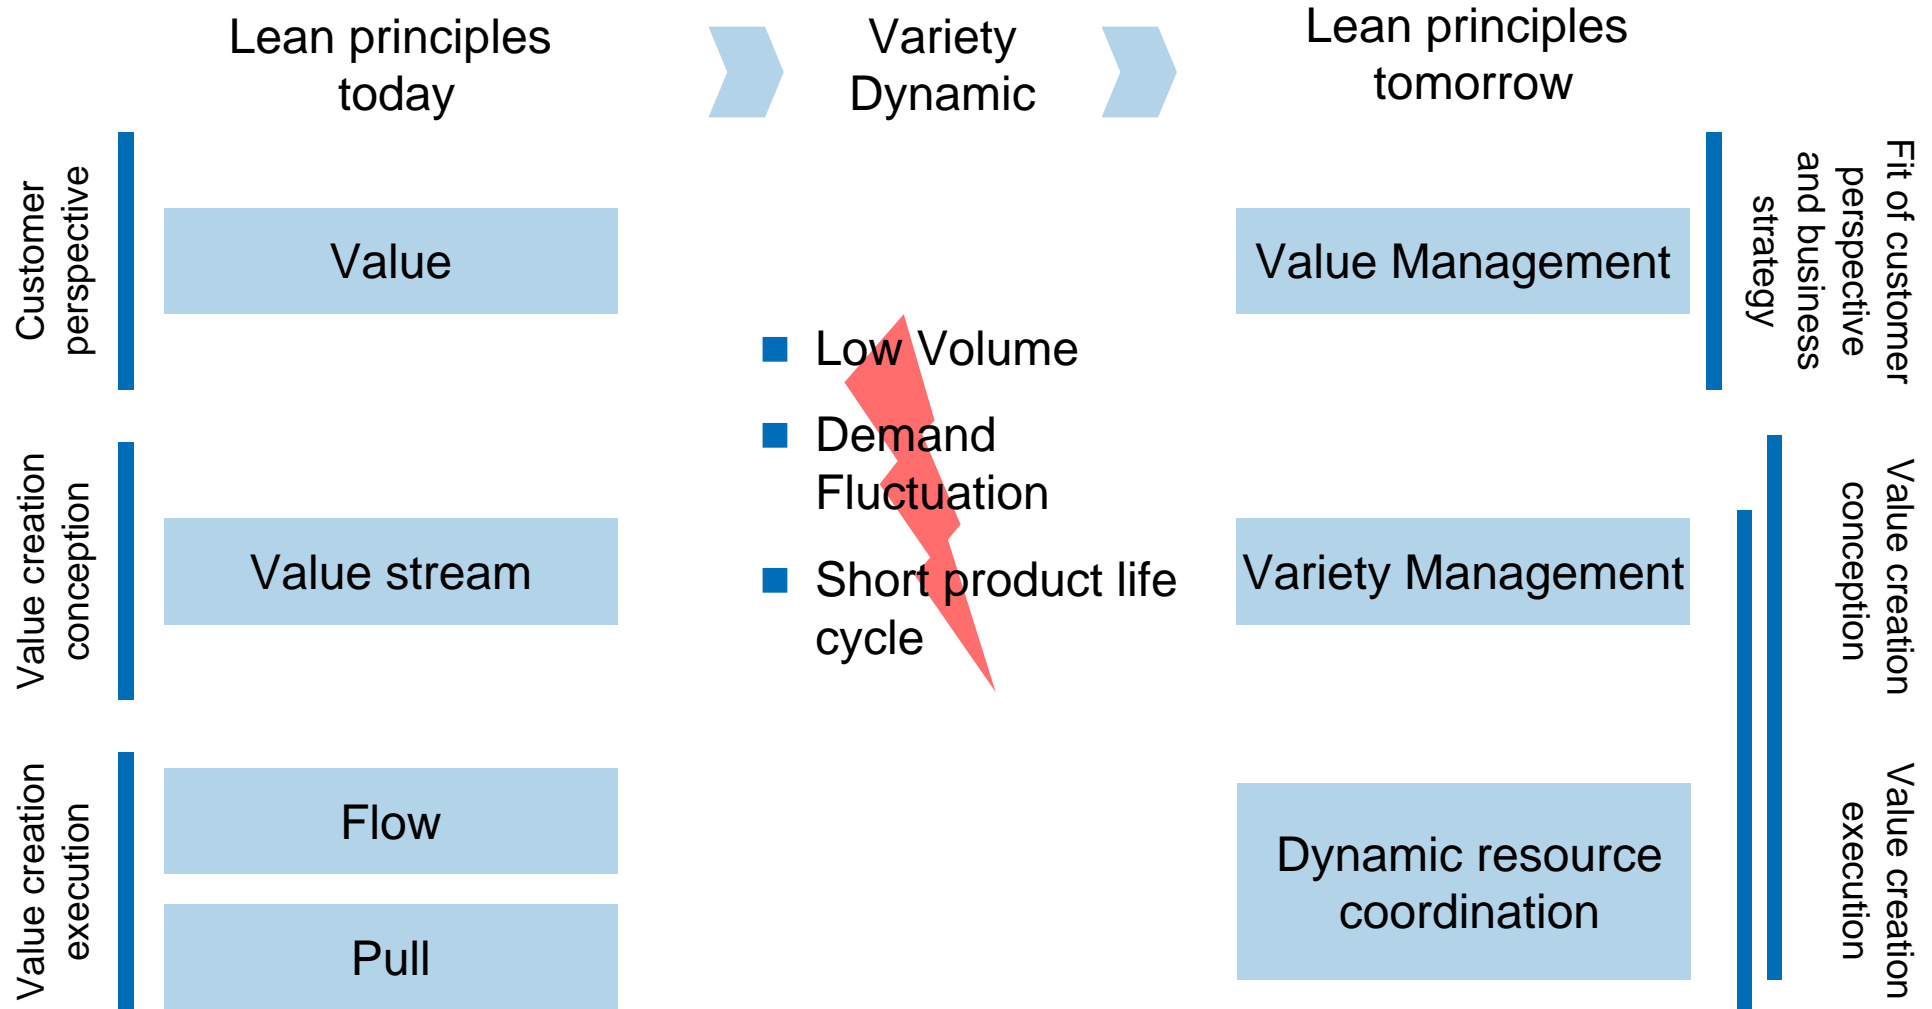

Cooperation with Lean Management Institut, Aachen
Partner of the worldwide Lean Management Network

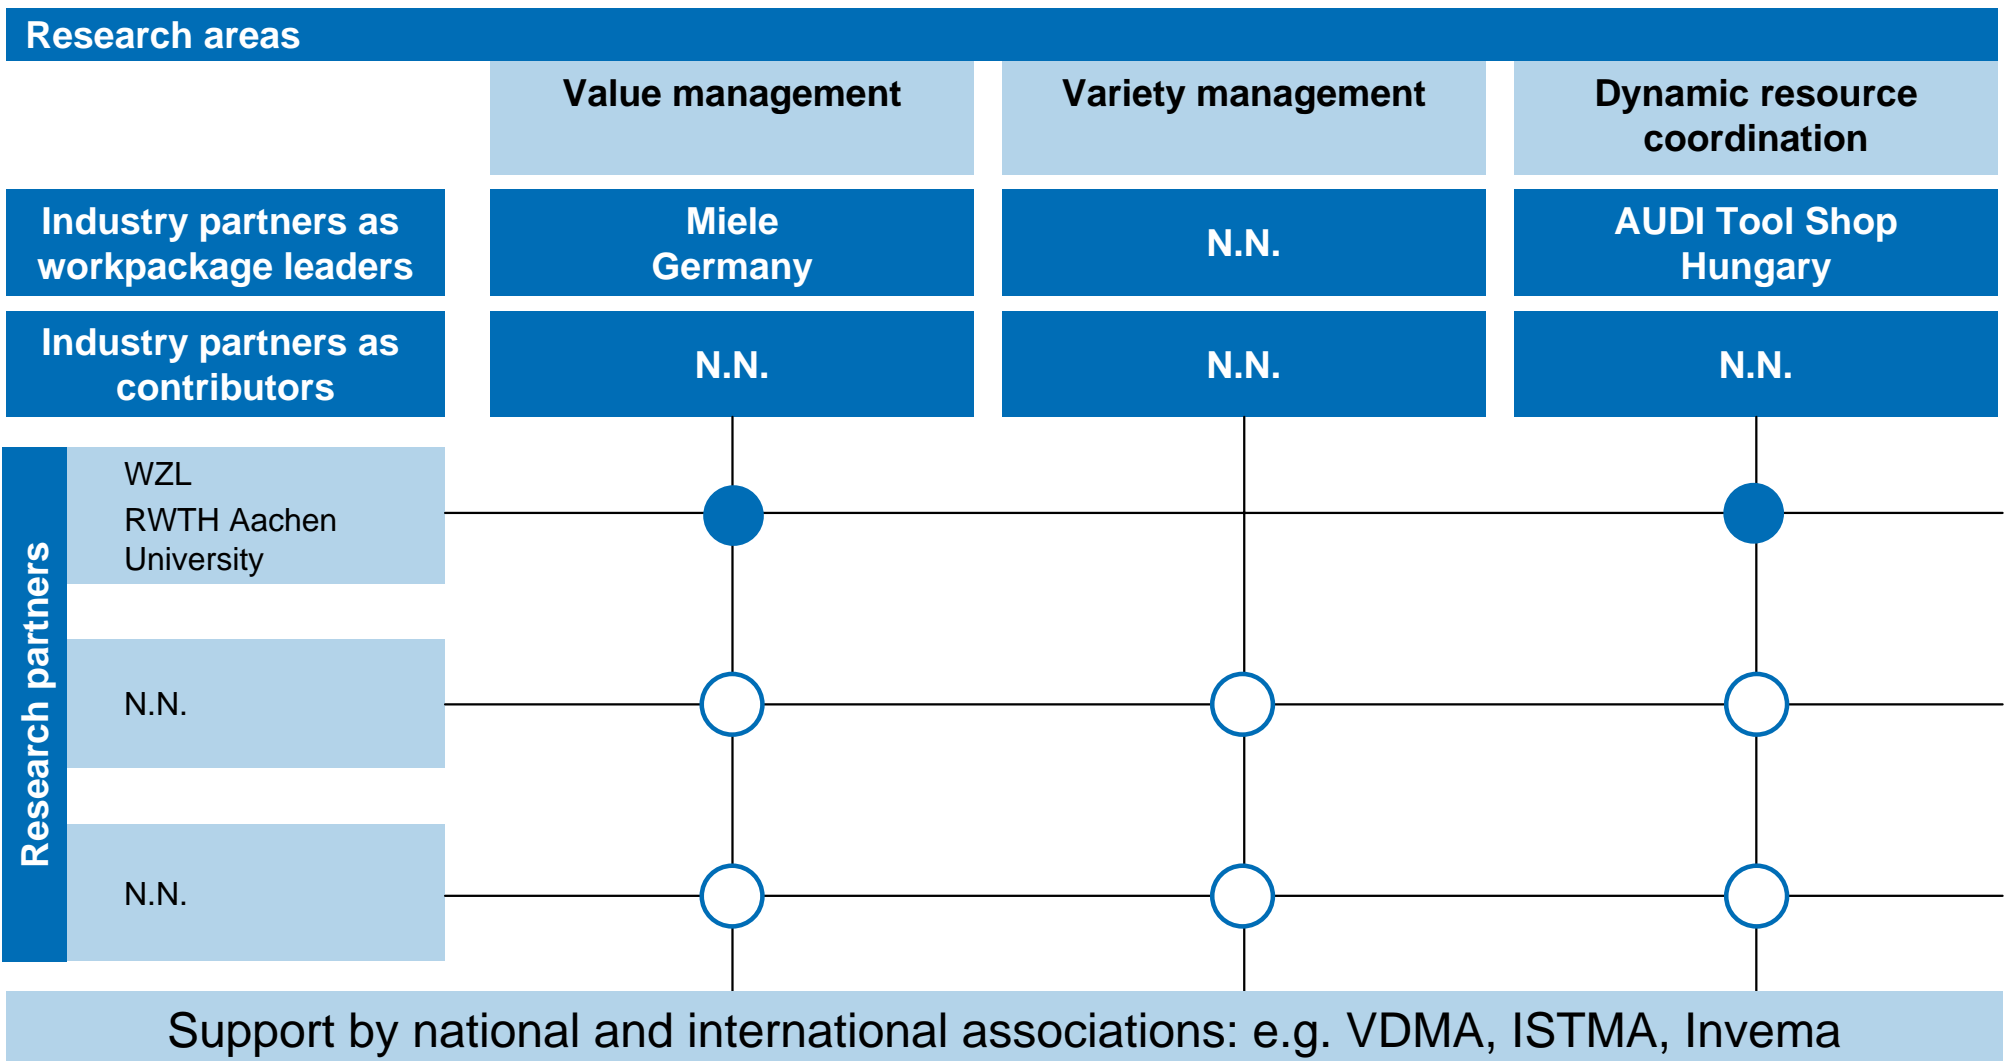

3rd Lean Management Summit
8.-10.11.2006

The existing lean approach needs to be enhanced to cope with high dynamics and variety

Project Consortium covering all research topics and bringing together scientific approaches and practical expertise in LV / HV production
